

CUSTOMER TESTIMONIALS

MCE has partnered with more than 500 government agencies, colleges, universities and nonprofits across the state of Maryland. As an organization, we strive to produce high quality products while providing excellent customer service. Our goal is to not just meet- but to exceed- your expectations.

Here are just some of the things customers are saying about MCE:

Delegate Joseph “Sonny” Minnick

“During my tenure at the Maryland House of Delegates, I’ve had the pleasure of working with MCE on a variety of projects. The organization has proven to be more than a typical manufacturer- they’ve become a business partner, helping me secure quality products with ease. Because of its large product offering, MCE has been my go-to vendor for almost anything from furniture, to print materials and flags.”

Springfield Hospital Center

“Springfield Hospital Center has been dealing with the MCE Laundry Plant since January 2008. The laundry is done in a timely manner. Everything comes back clean, with no issues at all. The staff is very helpful when any problems arise. I would recommend the MCE Laundry Plant for your laundry needs.”

-Robert Parker, Linen Service Manager

College of Southern Maryland

“I was very impressed with the overall level of competence of the MCE personnel, the quality of their products and the level of professionalism displayed in all areas of the MCE organization, including their sales, plant, delivery and install staff. MCE has been a great partner, and I would highly recommend them to any organization.”

-Thomas E. Kelley, Procurement/Contracts Director

Delegate John F. Wood

“As a Delegate, my top priority is to keep our communities safe. As a result, I voluntarily served as Chairman of MCE’s Management Council for eight years. I’m proud to support MCE, not only for their exceptional products, but for their commitment to improving our state.”
